Are you thinking of growing vegetables for:

- *Farmers' Markets? *CSAs? *Auctions?
- *Restaurants? *Local Institutions?
- *A Vegetable Processing Plant?

Then join the experts at several free training sessions designed to teach you what you need to know to become successful. Learn how to:

- Price your vegetables for profit and track your production costs
- Harvest, pack, store, and cool vegetables for maximum quality and market value
- Handle food safely on and off the field
- Become GAP certified and why it may be critical for your business success

Seating is limited so call and register today!
